

### Continuity

Could the black line be continuous?

GT: Yes

GPT: Yes

### Manipulation

GT: No

GPT: Yes

### Physics

If both balls are dropped at the same time, will the bigger (red) ball land first?

- A. Yes B. No, the smaller ball first  
C. They will land at the same time

GT: C

GPT: C

GT: A

GPT: C

### Constancy

Does the actual width of the bridge remain the same from near to far?

GT: Yes

GPT: Yes

GT: No

GPT: Yes

### Perspective

From a perspective where the image is rotated 90° clockwise, does it look like a duck or rabbit?

- A. Duck B. Rabbit

GT: Rabbit

GPT: Rabbit

GT: Duck

GPT: Rabbit
